Directions :

Check out our [YouTube Bangkok Transport Series](#) on how to get around in Bangkok 🇹🇭

MRT SUBWAY

As more and more subway lines get added in the future, traveling around Bangkok by subway will become an increasingly more attractive option to avoid Bangkok traffic.

From any MRT (subway) station, you can get to our location by taking the train to the Hua Lamphong station. From there, it is a 10 minute walk along the canal, a short right onto Charoen Krung Road, and a quick left onto Soi 24 where you'll see our office at the end of the street. Please see the map below for more details.

MRT fares will range from 16-42 baht per person, depending on the length of the ride.

BTS SKYTRAIN

The BTS Skytrain has been a long-time favorite amongst locals as the preferred mode of public transportation due to its convenient access to Sukhumvit Road, Siam Square, and the Silom/Sathorn business corridor.

From any starting BTS station, make your way to the Saphan Taksin station located adjacent to the Chao Phraya River. Fares will range from 15 to 42 baht per person, depending on distance traveled. From there, several modes of transportation will get you to our location (express boat, tuk-tuk, taxi or walking).

CHAO PHRAYA RIVER EXPRESS BOAT

The Chao Phraya Express Boat (<http://www.chaophrayaexpressboat.com/en/home/>) is an excellent option for getting to our office from locations along the Chao Phraya River (including Khao San Road). It is also a way to avoid the uncertainty of Bangkok traffic which can result in long delays throughout the day and especially during morning and evening rush hours (06:30-08:30 and 17:00-20:00).

River City is located near the Si Phraya Pier (N3). From the pier, walk straight down the alleyway, take a left at the end, and walk 200m (past the Sheraton Hotel and the River City main entrance) to our office.

Get Ready :

WHAT TO WEAR

On our tours, we pass through local and more conservative communities, including temples. Please allow us to ask you to dress more conservatively out of respect for the local community.

- A top that covers the shoulders and a sarong for covering the legs in a temple is always appreciated in Thai culture.
- For your own comfort, control, and safety, we recommend wearing closed shoes or sport sandals.

WHAT TO BRING

Our tours are on an all-in basis and there is no need to bring any food or drinks. You may however want to think consider bringing the following:

- Sunglasses, hat or cap, sunblock
- Camera, smartphone to capture your experience
- Original passport in case of emergency insurance and SIM card
- An open mind and a big smile, it's your holiday!
- In case of rain, you may want to bring a raincoat if you have one. This however is not necessary, as we bring them along aswell for everyone in the group.

INSURANCE

In case you would like to be eligible for emergency insurance during the tour, please bring and provide us with your passport number at our office before the start of your tour.

WEATHER POLICY

We will never cancel a tour due to the rain! The weather in Thailand is unpredictable and rain can occur at any time. Rain is also a very localized phenomenon, occurring in small pockets in some areas while being completely dry a few kilometers away. Heavy rains rarely last more than 20 minutes and our guides know where to take cover during the deluge. In light rain, we provide ponchos to our customers and cycle on.

CANCELLATIONS

Please notify us by email if you need to cancel your tour booking. Customers will be entitled to a full refund for cancellations made more than 24 hours in advance of your tour departure time.
